A View of Office and Packing House

To Our Friends:

It is our pleasure to present to you our catalog for 1941. We wish to thank our customers for their loyalty in the past and to wish a prosperous season for each one of them. To our prospective customers we would like to give a little inside information on Boyd Nursery Company.

Our aim has always been to grow first class nursery stock at lowest possible prices, eliminating all unnecessary expenses in growing and marketing, selling direct to the planter fresh dug plants.

Our catalog is our only representative, we have no traveling agents. In this catalog we have tried to give very complete and accurate descriptions. At the prices we are quoting here it would be impossible to send out traveling salesmen; we would lose money, as such salesmen usually cost about 40% of the selling price. This also enables you to make up your order in your own home, at your leisure, without too much pressure.

We have many customers over the country who have been sending us their orders from year to year for nursery stock and we are proud of them. We trust we may add you to our growing list of pleased customers. Of course, our reputation depends on the class of plants we send out and the service that we render, and if you favor us with your order, we guarantee to please you.

Yours very truly,

BOYD NURSERY COMPANY.

ALL STOCK

AGENTS — We have no traveling agents. We have had complaints from time to time from People who say they have bought plants from our agents, who guaranteed to replace the plants free of charge if they proved unsatisfactory. This is warn our friends and customers against placing any orders and paying their money, with any one claiming to represent us. We are doing only a mail order business, and request you to send all your orders direct to us.

Certificate of Inspection Will Be Sent With Each Shipment.

GUARANTEE — We are very careful to keep each variety true to name as labeled and are ready at any time to replace, upon proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

Grow Boyd's PEACHES

... for the MARKET

... for the HOME

The reason we can offer these trees at such low prices is because we grow them here in our nursery. Our fruit stock is the best we have ever grown before. The peach is one of the surest crops in this section and our trees will bear fruit after being planted two years.

Early Peaches

Early Elberta (Free). A clear yellow peach with blush; fine grained and very sweet. A real strong grower with a tendency to thin itself, carrying moderate loads of fruit.

Mayflower (Free). A strong grower with fruit very large, red flesh, white skin. It is very rich and juicy.

Crawford Early (Free). Clear yellow fruit with blush; one of the best early peaches.

Early Rose (Free). Large red peach that has a rich and juicy flavor.

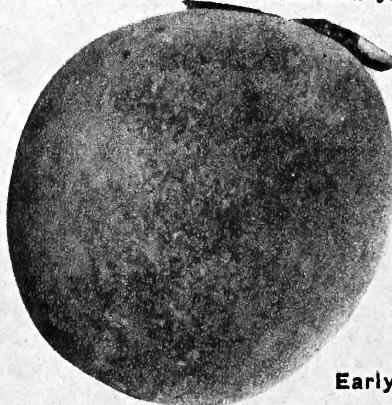

Mid-Summer Peaches

Belle of Georgia (Free). White fruit with decided blush; excellent quality. A heavy and regular bearer.

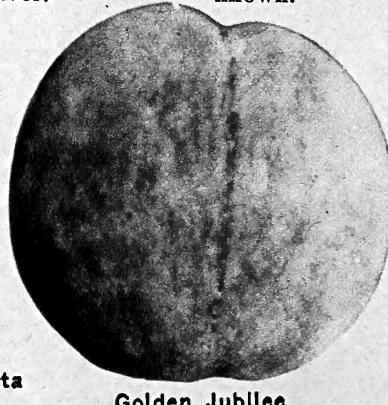

Carman (Free). White fruit with decided blush; excellent flavor; bear regularly.

J. H. Hale (Free). Fruit averages one-third to one-half larger than the Elberta. It has a beautiful golden yellow color.

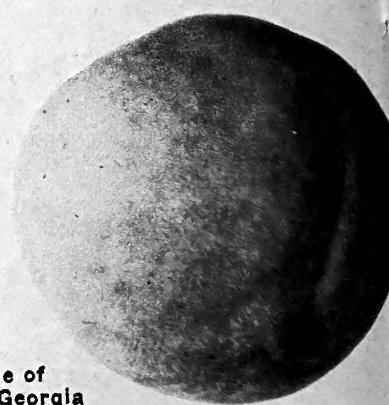

Golden Jubilee (Free). A new variety that is very highly recommended by several experiment stations. Yellow flesh which ripens in July. One of the most hardy peaches known.

Early Elberta

Golden Jubilee

Belle of Georgia

Mid-Summer Peaches—Continued

South Haven (Free). The great hardy peach for cold regions. It produces when other peaches fail. It has stood the most severe winters the northern states have had. It has deep yellow fruit with an attractive crimson cheek. Recommended highly.

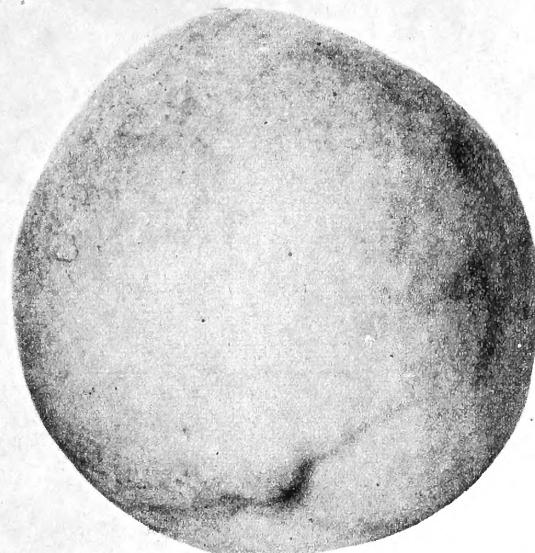

Shipper's Red (Free). Becoming more popular each year. A good firm peach that will ship well and is especially good for canning. A good peach for the market.

Hale Haven (Free). This new peach came from a scientific cross between the J. H. Hale, which is one of the largest peaches, and the South Haven, which is one of the best yielding peaches on the market today. Yellow flesh that is rich and juicy.

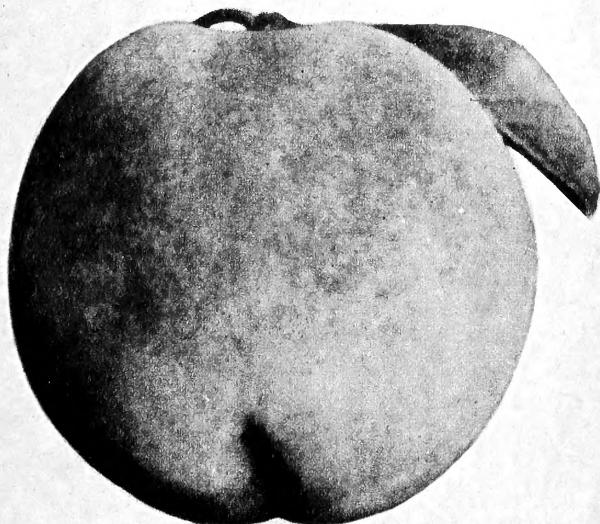

Late Peaches

Elberta (Free). Known as the standard market peach all over the U. S. A. It leads all other varieties in the number of trees planted in America. Fruit is yellow with red blush.

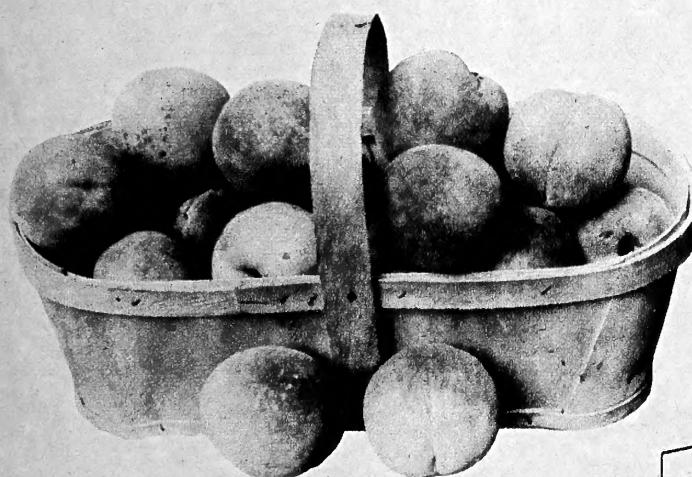

Crawford Late (Free). A large yellow peach with blush; one of the best free stone peaches.

South Haven

Heath Cling Peach

Hale Haven

*Plenty of Peaches
from Your Own Trees*

Cling Stone Peach—for Pickling

Heath Cling A very large peach, creamy white with delicate red blush; flesh white, slightly splashed red at the tip. Ripens in September.

Indian Blood Known as the best peach for preserving and pickling. Large with deep red veins; flesh deep red.

Red Bird Very early, hardy grower, good bearer. Fruit large and of bright color.

1 **5 in 1 Special**

Peach Tree Offer

Five varieties of peaches on one tree. Crawford Early, Elberta, South Haven, Shippers Late and Red Bird Cling . . . Just think! fresh peaches for the entire season all on one tree. Plant one in your yard.

Early Summer Apples

Anoka

The second year, big, full size crop, earliest and heaviest bearing apple. Hardy in all climates; never winter kills. Can be grown anywhere in the United States. Ripens in August but can be used a month earlier. Apples are a good size, well formed, beautifully colored. Has proven to be one of the best early summer apples for all purposes.

Red June

One of the best cooking apples; bears young and is very productive; ripens in July and August.

Early Harvest

Pale yellow fruit; medium size; tender and juicy; well flavored; an excellent home market apple; ripens in July.

Yellow Transparent

One of the best summer apples; flesh pale yellow with a faint blush on the sunny side. Trees very hardy, bears when very young.

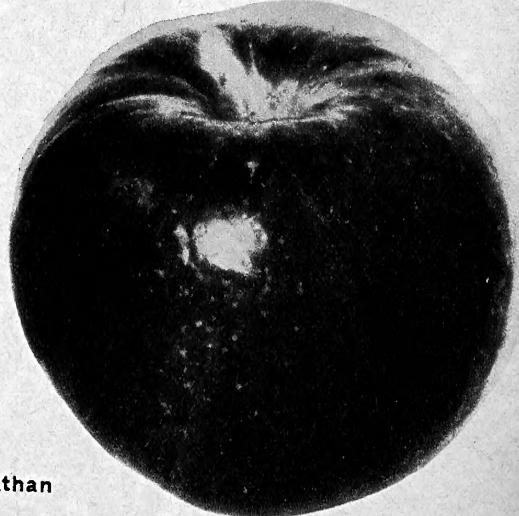

Yellow Horse

A large yellow apple which is recognized as the best apple for summer cooking. Ripens in August.

Autumn Apples

Grimes Golden

A big favorite with all home orchardist and very profit-

ble for marketing. A high quality yellow apple, delicious flavor; very hardy and productive.

Jonathan A beautiful, bright red apple, of excellent quality and highly flavored. It is tender, juicy and rich. A splendid tree for home orchardist and a very profitable apple for the market.

Kinnard's Choice A delicious eating apple. Large, dark red; good for home and market. Ripens in September.

Red Delicious

Kinnard's
Choice

Limbertwig An old favorite in home orchards and on many markets. Fruit large, dark red and keeps well. One of the old favorites for both cooking and eating.

Red Delicious Fruit large and of uniform size. The quality of this apple is very outstanding with commercial orchardists. It does not fruit as quickly as some other varieties.

Yellow Delicious This apple is bright golden yellow; fruit richer, juicy and finer in flavor than any other apple. Trees bear very young and will thrive when other varieties fail.

Stayman Winesap This is an extraordinary marketing apple; large size, dark red. This is an improvement of the Winesap apple.

Winter Banana It has a rich flavor, firm and juicy fruit, Golden yellow in color; does well in the South and middle West.

Yates Another old favorite; good keeper, dark red fruit with small white dots; flesh yellow and aromatic.

Boyd's Choice

Bartlett Bears early, very juicy and highly flavored. Strong grower, bears abundantly.

Garber An upright grower with heavy dark green foliage. Fruit large, juicy, melting, rich and fine. Does well nearly everywhere. September and October.

Kieffer One of the most popular pear trees grown. Large golden yellow, often blushing in the sun; one of the best for preserving and canning. It is liable to overbear; therefore, special pains should be taken to thin fruit.

Pineapple Has a distinct pleasing odor, resembling that of the pineapple. This pear is a very attractive yellow with conspicuous brown specks; is very beautiful and has been a popular seller. Ripens in August.

Early Golden Apricot

PLUMS

No matter how small your planting space you can find room for a few plum trees. They will pay a big dividend in fruit that is ideal for canning and are extra fine to eat from the hand. Plums thrive on almost any land, bear a heavy crop of fruit that seldom fails.

Burbank Plum

Kelsey Japan Plum

Abundance Tree a strong grower and an early and profuse bearer. One of the best known plums.

Burbank Fruit large and vigorous, productive, bears young. Excellent quality; cherry red.

Kelsey Japan Color greenish yellow, flushed with red, very large.

Wickson One of the Burbank's creations, fruit largest of the Japans. Handsome deep, maroon red, firm, long keeper and fine shipper.

Blue Damson Fruit small, oval, skin dark purple, covered with blue bloom, used extensively for preserving.

German Prune A mid-season plum that is large, dark blue and delicious. Widely planted and is especially good for dessert.

Boyd's Choice FRUITS

CHERRIES

Every home should have a few cherry trees. They require very little attention. Spraying is not necessary. They make a handsome shade tree. They can be grown in any waste space or corner. There are several varieties that bear luscious fruit. Their fragrant blossoms are the first sign of spring.

Sweet Cherries

Black Tartarian A favorite sweet cherry, well adapted to almost any soil and climate. Lives to an old age, fruit medium size, brownish black, flesh purplish red, juicy, rich and for home use is one of the best.

Governor Wood Few cherries are equal to it in quality or productivity. Fruit medium size, soft, and of fine flavor, pale yellow with blush.

Napoleon Very large, pale yellow with bright red cheeks, very firm, juicy and sweet, vigorous grower and very productive. One of the best.

Sour Cherries

Early Richmond A favorite sour cherry. It is the good dependable variety that yields such marvelous crops in the garden and lawn. The fruit is dark red, tender, juicy and of excellent quality.

Montmorency A large, light red cherry of the Richmond class, but larger and more solid, about ten days later.

GRAPES

Grape vines will produce more fruit and furnish more real pleasure than any known fruit, considering investment.

Campbell's Early. (Black). A strong and hardy sort. Good shipper.

Catawba (Red). Large, sweet and aromatic.

Concord (Black). Is considered one of the best grapes.

Moore's Early. (Black). Ripens early, good market berry.

Niagara (White). One of the leading white grapes.

Worden (Black). Ripens early, bunches large and compact.

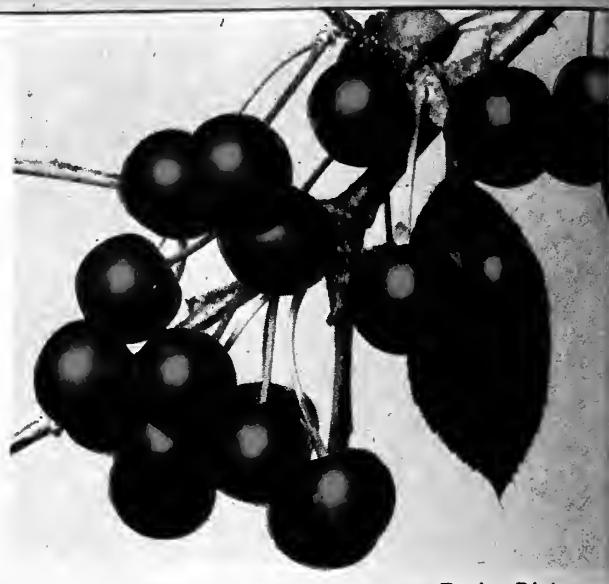

Agawam (Red). Large bunches; good quality.

STRAWBERRIES

Aroma (Perfect). This is our best and most profitable late Strawberry. It cannot be beaten for quantity of fruit produced or in quality of fruit. Plants show no weakness of any kind. Fruit very large, roundish conical, rarely misshapen, glossy red, of excellent quality, produced in abundance; late.

Klondike A good berry, rich blood-red in color, having a fine flavor that is neither sweet nor sour.

Premier Smooth, evenly conical form, and large its color the commanding glossy red which sells on sight, aided artistically by the calyx or cap which remains green after picking. Quality unsurpassed; very productive. Early.

Blakemore Originated and recommended by U. S. Dept. of Agriculture. Berries bluntly conic, good market size; rarely white-tipped with solid center, small seeds, firm flesh, tough skin. Excellent flavor, aromatic, acid with high pectin and gelatinizing content. The color is glossy red. Good for preserving. Prefers the heavier types of soil. Early.

Per 100 Per 500 Per 1,000
Prices ----- \$ 1.00 \$ 3.50 \$ 6.00

Progressive Everbearing Berries are no larger than some of the other varieties, but are exceptionally good quality, yields well. Fruit is good size, smooth and good color and appearance.

2-3 feet	\$.65	\$1.85	\$4.75
3-4 feet	.75	2.00	5.50

RASPBERRIES

Red Wineberry A variety of the Raspberry. A red fruit. The habit of growth is a bushy nature with its thorny-like stems and branches.

Columbian The berry is firm, purple, and adheres to the bushes. A strong grower, attaining a large size. One of the hardiest and most productive and stands at the head for canning, jams, etc.

Cumberland The largest of all blackcaps, a healthy, vigorous grower, throwing up stout stock, well-branched canes, that produce immense crops of magnificent berries.

Chief A new red variety, the difference being in earliness and size. Ideal home berry as well as good market sort.

Latham The color is clear pink and more pleasing than the purplish variety. Fruit twice as large as some other raspberries.

St. Regis Everbearing, bright crimson berry of large size, firm and meaty. Fruit begins to ripen with the earliest and continues bearing on young canes until October.

Prices of All Raspberries:
12 for 60c; 25 for \$1.00; 100 for \$2.50; 500 for \$11.00; 1000 for \$20.00, by Express. Your choice of color or variety.

PAW PAW

Tennessee Banana Tree

A small handsome tree with large purple flowers which are very beautiful and fragrant. The foliage is dark green and makes a handsome tree for park or lawn. Produces large yellow fruit which has the flavor and shape of the banana and is very delicious. Trees very hardy and productive. Can be grown in all sections of the United States. Should be planted in every lawn and garden.

CORNUS -- Shrub Dogwood

These shrubs are especially valuable for their colored berries in the fall and for their highly colored barks. In the winter season when everything is looking dead, the beautiful red and yellow bark of the dogwood makes the home grounds very attractive. All varieties do well in shade.

Silky Dogwood (*Amomum*). Has striking red bark, blue berries.

Yellow-Twigged Dogwood (*Lutea*). Bright yellow bark, strikingly conspicuous when combined with the red bark variety. Small white flowers, white berries.

Gray-Stemmed Dogwood (*Paniculata*). Attractive foliage, turning to reddish purple in fall, with white berries on pink stems.

Red Twigged Dogwood (*Sanguinea*). A spreading shrub with deep red or purplish branches. Black berries.

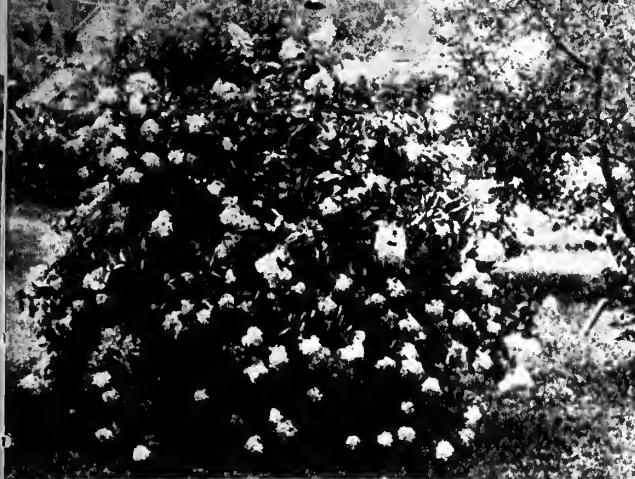

Red Ozier Dogwood (*Stolonifera*). The bark is bright red and very striking. Small white berries, lasting into winter.

Prices:	Each	Per 3	Per 10

Hydrangea, Hills of Snow

Hydrangea, Paniculata Grandiflora

Pearl Bush (*Exochorda Grandiflora*). A beautiful Chinese shrub with large, star-shaped, pure white flowers in May and good foliage throughout the season.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.25 \$.65 \$1.85
2-3 feet ----- .35 .90 2.75

Strawberry Bush (*Euonymus Americana*). An upright shrub with attractive foliage and reddish flowers. The rich pink fruits are concealed in a scarlet pod. Very showy.

Wahoo (*Euonymus Atropurpureus*). A large native deciduous shrub. The leaves turn yellow in fall and the fruit is scarlet.

Prices, each variety: Each Per 3 Per 10
18-24 inch ----- \$.25 \$.65 \$1.85
2-3 feet ----- .40 1.10 3.25

Cydonia - Japonica

Cork-Bark Euonymus (*Alatus*). An attractive shrub because of its heavily ridged branches, resembling layers of cork. Foliage is especially fine in autumn when it changes to many brilliant shades. Sometimes called "Winged Burning Bush."

Prices:	Each	Per 3	Per 10
12-18 inch -----	\$.35	\$.90	\$2.75
18-24 inch -----	.50	1.40	4.25

False Indigo (*Amorpha Fruticosa*). Attractive deep violet-blue flowers in June, feathery foliage. The finest blue flowered shrub. Large spreading bush.

Prices:	Each	Per 3	Per 10
18-24 inch -----	\$.25	\$.65	\$1.85
2-3 feet -----	.40	1.10	3.25

Flowering Quince (*Cydonia Japonica*). Attractive old-fashioned Burning Bush. In early spring just as the leaves are opening it is a gorgeous sight with its masses of brilliant scarlet blossoms. The foliage is dark green and glossy. A great favorite. Beautiful as a cut-flower as well as for garden effect.

Prices:	Each	Per 3	Per 10
12-18 inch -----	\$.25	\$.65	\$1.85
18-24 inch -----	.50	1.40	4.25
2-3 feet -----	.75	2.00	6.00

Forsythia (*Golden Bell*). Somehow we know spring is here when the Forsythia start blooming, because the delicate yellow flowers definitely belong to that season and no other. They are beautiful when planted against a background of evergreens or when used in a group.

Prices:	Each	Per 3	Per 10
18-24 inch -----	\$.20	\$.40	\$1.45
2-3 feet -----	.30	.80	2.25

Forsythia (*Weeping Suspensa*). A very graceful shrub with long slender drooping branches. Native of China. Flowers of golden-yellow while the leaves are dark green and lustrous, persisting until frost. One of the showiest shrubs in cultivation.

Prices:	Each	Per 3	Per 10
18-24 inch -----	\$.35	\$.90	\$2.75
2-3 feet -----	.50	1.40	4.00

Witch Hazel (*Hamamelis Virginiana*). Ribbon-like yellow flowers in late autumn. Good for natural planting and shady places.

Prices:	Each	Per 3	Per 10
18-24 inch -----	\$.30	\$.80	\$2.25
2-3 feet -----	.40	1.10	3.25

Hydrangea Hills of Snow (*Arborescens Grandiflora*). Large, double white flower panicles, very showy in August.

Hydrangea Pee Gee (*Paniculata Grandiflora*). Individual flowers of the large size, starts blooming in July; creamy white flowers turning to pink in the late summer.

Hydrangea Oakleaf (*Quercifolia*). Flowers creamy white, large oak-like leaves with a dark green silver beneath, turning to brilliant colors in the fall. Hardy.

Prices on Hydrangea:	Each	Per 3	Per 10
18-24 inch -----	\$.35	\$.90	\$2.75
2-3 feet -----	.50	1.40	4.25

Hypericum (St. John Wort). A bushy, low-growing shrub with golden yellow flowers in mid-summer; grows well in rocky or sandy soil. Hardy.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.20	\$.50	\$1.40
2-3 feet	.25	.65	1.75

Winterberry (*Ilex Verticillata*). Small June flowers and darkly lustrous foliage with sparkling masses of crimson fruits in October that last far into the winter.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.35	\$.90	\$2.75
2-3 feet	.50	1.40	4.25

Indian Currant (*Symporicarpos vulgaris*). Valuable for planting in shady places as the foliage is very persistent. The fruit is a purplish red and hangs on well into the winter. Flowers small and rose colored.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.20	\$.50	\$1.40
2-3 feet	.25	.65	1.75

Jersey Tea (*Ceanothus Americanus*). A shrub that is at home in dry soils. Numerous small white flowers in dense panicles entirely covering the foliage.

Prices:	Each	Per 3	Per 10
12-18 inch	\$.20	\$.50	\$1.40
18-24 inch	.25	.65	1.75

Spice Bush (*Lindera Benzoin*). Small bright yellow flowers in March and April. In autumn gorgeous yellow foliage, red berries which attract birds. Hardy.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.25	\$.65	\$1.85
2-3 feet	.35	.90	2.75

Persian Lilac (*Lilac Rothomagensis*). Flowers white young; slender branches; graceful habits, violet flowers in April and May. Hardy.

Purple Lilac This plant needs no introduction. One of the old garden favorites, blooms in May with delicate purple—very fragrant—flowers.

Prices, each variety:	Each	Per 3	Per 10
18-24 inch	\$.35	\$.90	\$2.75
2-3 feet	.50	1.40	4.25

French Lilac The French hybridizers have evolved a number of new and very fine Lilacs in varied shades. Suitable for specimens as well as mass planting, but far superior to the common Lilacs. Unusually large panicles, florets sometimes one inch in diameter. Does not spread from the roots: Red, white, pink and purple.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.50	\$1.40	\$4.25
2-3 feet	.60	1.60	5.00

BUSH HONEYSUCKLE

Lonicera fragrantissima Almost evergreen; tall growing; fragrant white flowers in April and May.

Lonicera (Bush Honeysuckle). A large shrub with numerous spreading branches; flowers light pink followed by red or orange berries.

Prices:	Each	Per 3	Per 10
12 to 18 inch	\$.20	\$.50	\$1.00
18-24 inch	.25	.65	1.85
2-3 feet	.35	.95	2.75

Indian Current

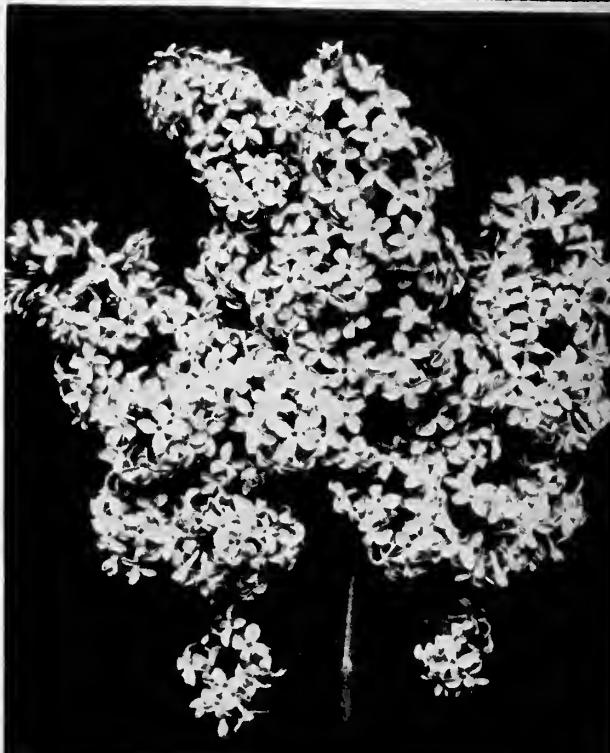

COLLECTION NO. 19

LILAC COLLECTION

1 Common Purple, 1 Persian Lilac,
1 French Lilac

Size: 18-24 inch

All For \$1.00

Lilac

Lonicera Morrowi Spreading habit; good green foliage; flowers are white in May and June followed with red or yellow fruit in late summer.

2-3 feet	.35	.90	2.75

Left, Spirea, Reevesiana

Snowball

Spirea, Van Houttei

Tamarix

The foliage is light and very feathery and in the summer it is covered with pink flowers; thrives best in dry sandy soil.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.25	\$.65	\$1.85
2-3 feet	.35	.80	2.20

Viburnum Acerifolium

Slender branches, maple-like leaves, creamy white flowers in late spring and black berries following. Grows from 3 to 5 ft.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.35	\$.90	\$2.75
2-3 feet	.50	1.30	3.85

Viburnum Dentatum

(Arrowwood). Bright green, heart-shaped leaves that turn to red and purple. The flowers in May and June are creamy white. Grows to 8 or 12 feet. A fine shrub for massing in large groups.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.35	\$.90	\$2.75
2-3 feet	.50	1.30	3.85

Viburnum

(Common White Snowball). A grand hardy shrub with handsome showy flowers produced in large globular clusters. All the flowers are sterile and radiant and appear in numerous compact balls in spring. An old-time favorite.

Prices:	Each	Per 3	Per 10
12-18 inch	\$.35	\$.90	\$2.75
18-24 inch	.50	1.30	3.85

Viburnum Plicatum

(Japanese Showball). A handsome shrub with showy flowers and beautiful foliage. Blooms appear in May and June.

Prices:	Each	Per 3	Per 10
12-18 inch	\$.35	\$.90	\$2.75
18-24 inch	.50	1.30	3.85

Viburnum Nudum One of our hardy native shrubs, tall, upright, with slender branches usually growing from 8 to 10 feet. Flowers creamy or yellow-white in broad heads. Berries pink changing to blue.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.35 \$.90 \$2.75
2-3 feet ----- .50 1.30 3.85

Vitex Leaves compound, consisting of 5 to 7 narrow leaflets, dark green above, grayish downy beneath. Flowers lilac or violet-purple disposed in dense terminal racemes during late summer.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.20 \$.50 \$1.40
2-3 feet ----- .25 .65 1.85

Weigelia Rosea A free flowering shrub, usually about six feet tall, with numerous spreading branches. Leaves dark green. Flowers rose-colored, large and showy, produced in great profusion.

Weigelia Hendersonia Large flowers of deep rose; blooms in May and June.

Prices: Each Per 3 Per 10
18-24 inch ----- .20 \$.50 \$1.40
2-3 feet ----- .30 .80 2.20

Weigelia Variegata In this variety there is an added attraction of leaves handsomely bordered with yellowish-white making the plant conspicuous all summer. The flowers are numerous and a bright clear pink.

Weigelia Lutea This one differs from all the other Weigelias in every respect. Its leaves are long and pointed with a yellow tinge and its yellow flowers come in late June after the others have passed their first blooming. The only variety with yellow flowers.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.30 \$.80 \$2.20
2-3 feet ----- .35 .90 2.75

Weigelia Eva Rathke The best of the red varieties; with flowers a bright clear crimson, borne in great profusion; growth more sprawling than the others; not so strong nor so tall.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.35 \$.90 \$2.75
2-3 feet ----- .50 1.40 4.25

Weigelia Eva Rathke

Willow, Pussy (*Salix*). A very interesting shrub or dwarf tree. It produces many fur-like, pearl gray catkins. Lovely in winter and early spring in bouquets.

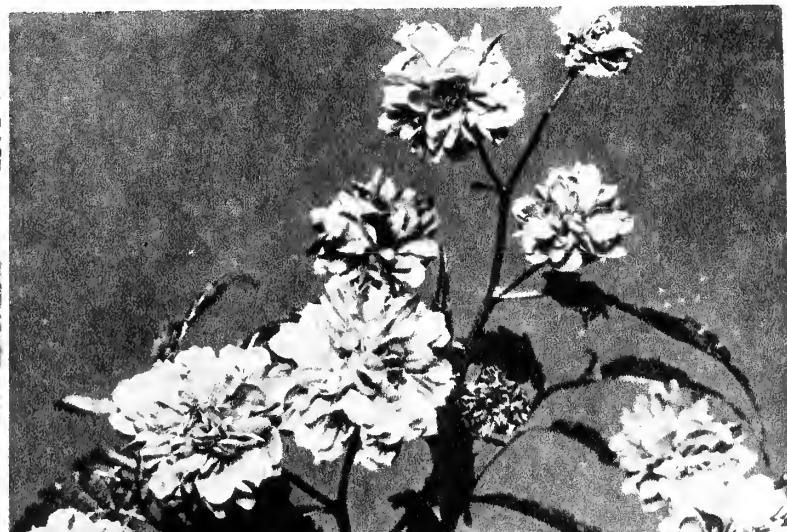

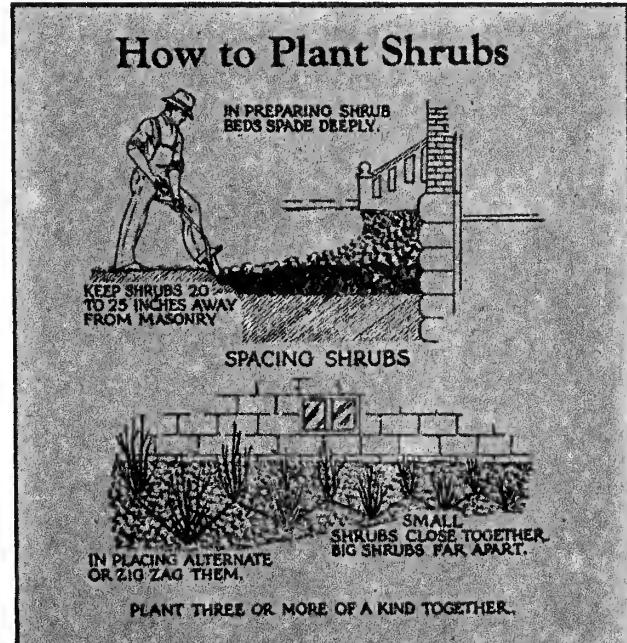

Prices: Each Per 3 Per 10
18-24 inch ----- .40 \$1.10 \$3.00
2-3 feet ----- .50 1.30 3.85

Basket Willow Very profitable for basket weaving. A very straight, slender shrub. Plants usually cut every year for the production of more branches.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.20 \$.45 \$1.25
2-3 feet ----- .30 .75 2.00

White Kerria (*Rhodotypos kerriodes*). A handsome and distinct shrub. Leaves ovate, with a long slender point, bright green and lustrous. Flowers pure white an inch or more across. Coming a little later than most of the early spring flowers makes it especially valuable.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.35 \$.90 \$2.75
2-3 feet ----- .50 1.40 4.25

White Kerria

Boyd's

Coniferous Evergreens

Evergreens give color both winter and summer. The new growth in the spring gives a splash of color that is very pleasing to the eye. Some of our most beautiful trees are evergreen trees and shrubs. They are stately and majestic as individuals and strikingly effective and imposing in masses. They are invaluable as screens against objectionable objects, wind-breaks and hedges. A careful study of our descriptions will help you select suitable plants for your situation.

All conifer evergreens are balled and burlapped, unless otherwise arranged. They will weigh from 25 to 100 pounds and should be shipped either by railway freight or motor freight.

Golden Arborvitae

American Arborvitae (*Thuja Occidentalis*). This Arborvitae is useful for fall planting. It is very useful for screening off unsightly objects. It is a tree or shrub of pyramidal outline, especially when young. The foliage is bright green, yellow-green beneath or in winter assuming tones of brown and bronze.

	Each	Per Pair
2-3 feet	\$.90	\$1.50
3-4 feet	1.00	1.75
4-5 feet	1.25	2.00

Globe Arborvitae (*Thuja Globosa*). Forms a dense low globe with bright green foliage. In outline a symmetrical globe.

	Each	Per Pair
15-18 inch	\$1.25	\$2.00
18-24 inch	1.50	2.50

Hemlock

Chinese Arborvitae (*Thuja Orientalis*). Similar to the American Arborvitae in usage. It is of a deeper shade of green and more open.

	Each	Per Pair
3-4 feet	\$1.00	\$1.75
4-5 feet	1.50	2.50

Berkman Golden Arborvitae (*Thuja Aurea Nana*).

A beautiful dwarf, compact variety of golden color. For urns, small gardens, cemetery lots or for brightening up foundation planting.

	Each	Per Pair
12-15 inch	\$1.00	\$1.75
15-18 inch	1.25	2.10

Pyramidal Arborvitae (*Thuja Pyramidalis*).

Strikingly attractive. A compact and narrowly pyramidal tree. Branches short and densely clothed with bright green foliage. Well suited for corners, in front of pillars, center of background or group planting.

	Each	Per Pair
24-30 inch	\$1.50	\$2.75
30-36 inch	2.00	3.50

Bonita Arborvitae (*Thuja Bonita*).

A very compact and bushy plant. Medium size grower. The foliage is a bright green during growing season changing to a darker shade during the winter months. A very distinctive plant in appearance.

	Each	Per Pair
12-15 inch	\$.85	\$1.50
15-18 inch	1.10	1.90

Douglas Fir (*Pseudotsuga douglasii*).

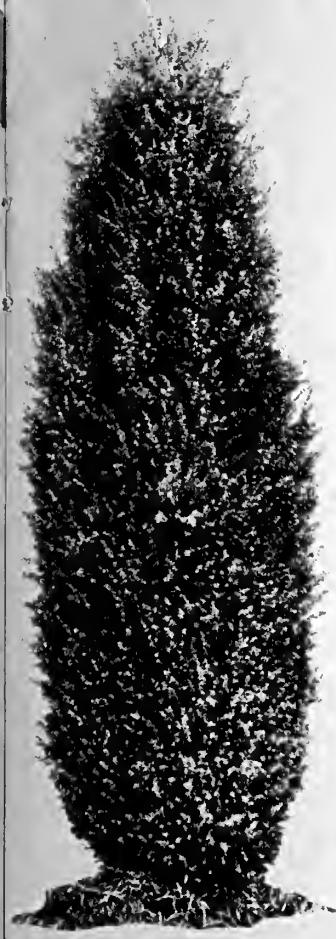

A Colorado tree. Soft green foliage, resembling the hemlock or spruce, except for a blue cast. Makes a compact tree and can be used as a specimen or in group plantings.

	Each	Per Pair
12-18 inch	\$1.00	\$1.75
18-24 inch	1.25	2.00

Hemlock (*Tsuga Canadensis*).

A tall graceful tree with spreading, drooping branches, forming a pyramidal crown. This is one of our best evergreens. It grows well in the shade and can be confined to almost any space if kept sheared. Indispensable for park or landscape. Makes a grand hedge either clipped to formal lines or untrimmed.

	Each	Per Pair
2-3 feet	\$2.00	\$3.50
3-4 feet	2.50	4.50
4-5 feet	3.50	6.00

Juniper, Irish

All Evergreens
are balled and
burlapped and
should be
shipped by
railway or
motor freight.

Pfitzer Juniper

Savin Juniper

Juniper Cannarti (*Juniperus virginiana can-*
narti). One of the leading
forms of Red Cedar, having deep rich green, heavily
tufted foliage. It makes a pyramidal specimen of
medium size, reaching 15 to 20 feet. It can be read-
ily trimmed and thus maintained at any size wanted.
If left untrimmed, the growth is more or less open,
but not the less pleasing. Some trees bear blue and
silver berries which adhere late in Autumn and are
greatly enjoyed by the birds.

	Each	Per Pair
3-4 feet	\$3.50	\$6.25
4-5 feet	4.50	8.00

Juniper Virginiana Glauca (*Blue Juniper*). A very
vigorous variety with silvery blue foliage. This is
one of the most beautiful forms of the Blue Cedar.
Upright, broadly columnar type of growth. It may
be kept sheared to compactness or allowed to grow
informally. The striking blue foliage is handsome
and always attractive.

	Each	Per Pair
3-4 feet	\$3.50	\$6.25
4-5 feet	4.50	8.00

Irish Juniper (*Communis Hibernica*). A slender
columnar form, very erect.
Foliage a sage green and very compact. Very good
for formal plantings.

	Each	Per Pair
2-3 feet	\$1.25	\$2.00
3-4 feet	1.50	2.75

Greek Juniper (*Excelsa*). This is a com-
pact, well filled plant. It is
very ornamental and of columnar or conical outline.

The foliage is grayish white above and dark green
underneath. Very desirable for foundation planting.

	Each	Per Pair
12-15 inch	\$1.00	\$1.75
15-18 inch	1.25	2.00

Black Hill Spruce A compact, shapely tree
of dark green color. It
will withstand cold and dry weather and will thrive
under almost any conditions. It is of sturdy, dense
growth. Very good for foundation planting.

	Each	Per Pair
12-18 inch	\$.75	\$1.25
18-24 inch	1.00	1.75
2-3 feet	1.50	2.75

Pfitzer Juniper (*Chinensis Pfitzeriana*) A
graceful, low-growing,
spreading Evergreen with sweeping fronds of fresh
green foliage. A distinctive, beautiful, hardy plant
for shady locations.

	Each	Per Pair
15-18 inch	\$1.50	\$2.75
18-24 inch	2.00	3.75
2-3 feet	2.50	4.50

Savin Juniper (*Sabin*). A spreading shrub
of variable habit, widely dis-
tributed. Especially suitable for hillside planting or
among rocks. Foliage dense, very dark green. Splen-
did for rock-gardens.

	Each	Per Pair
15-18 inch	\$1.50	\$2.75
18-24 inch	2.00	3.75

Norway Spruce (*Picea Excelsior*). A tall picturesque tree and the most widely cultivated of all the Spruces. Extensively planted as an ornamental tree and for shelters and wind-breaks. Very graceful with its dark green foliage. Used extensively for Christmas trees.

	Each	Per Pair
18-24 inch	\$1.00	\$1.75
2-3 feet	1.50	2.75
3-4 feet	2.00	3.75

Austrian Pine (*Pinus Nigra*). Few trees show such remarkable resistance to the trying conditions of city planting. Coal, gas and smoky atmosphere have little effect on its growth. It is a tree equally satisfactory for sea-shore planting or inland. It is by far the most popular and largest selling of the upright Pines. Austrian Pine has a deep rich green color that is known in some parts of Europe as the Black Pine. The needles are two in a sheath, straight and slender.

	Each	Per Pair
18-24 inch	\$1.50	\$2.75
2-3 feet	2.00	3.75
3-4 feet	3.00	5.00

Mugo Pine (*Pinus Mughus*). This compact, low growing, globe-shaped pine is without question the outstanding dwarf evergreen for all round use. The color is deep green in summer and winter.

	Each	Per Pair
12-15 inch	\$1.50	\$2.75
15-18 inch	2.00	3.75

Indian Cedar (*Cedrus Deodara*). A magnificent and stately evergreen of towering pyramidal form from the Himalaya Mountains. One of the most handsome and stately trees for the lawn, or for planting anywhere as a specimen. Especially good for planting in the Southern States and usually gives satisfaction.

	Each	Per Pair
2-3 feet	\$2.50	\$4.75
3-4 feet	3.00	5.75

Cedrus Deodara

How to Properly Plant Evergreens

DIG HOLE AT LEAST A FOOT LARGER AND DEEPER THAN EARTH ATTACHED TO TREE. COMPLETELY SURROUND ROOT OR SHOT OF EARTH WITH RICH LOAMY TOP SOIL.

PLANT THIS IN SOIL LIGHTLY DRIED THAN THE SHOT OF EARTH.

PACK SOIL AROUND ROOT OR SHOT OF EARTH WITH WATER.

ADD LOOSE SOIL UNTIL THE HOLE IS FILLED AND PACK FIRMLY AND LEAVE LIBERAL SUPPLY OF LOOSE EARTH ON TOP.

Japanese Yew (*Taxus cuspidata*). Fine shiny, waxy foliage, dark green. Will stand various planting conditions, including dense shade. Withstands extremes of heat and cold. Fruit a bright scarlet. Very easily trimmed. This is one of the most beautiful and unusual of evergreens.

	Each	per Pair
18-24 inch	\$2.75	\$5.00
24-30 inch	3.25	6.00

Austrian Pine

EVERGREENS WILL
BE SHIPPED BY FREIGHT
UNLESS OTHERWISE
INSTRUCTED

Norway Spruce

Broadleaf EVERGREENS

Abelia Grandiflora

(*Glossy Arbutus*). Few shrubs are of greater value than the Abelas for planting at house foundations, for specimens about the lawn or grouped in corners or curves of walks and drives. The graceful arching stems are clothed with dark glossy leaves, which are evergreen in the South. Flowers white, tinged with pink, borne in profuse clusters from early summer until checked by frost.

Prices:	Each	Per 3	Per 10
18-24 inch bare roots	\$.30	\$.75	\$2.25
2-3 feet bare roots	.50	1.40	4.25
3-4 feet bare roots	.75	2.00	5.25

Nandina Domestica

A semi-evergreen with numerous upright, reed-like stems. Each cane has a tuft of spreading foliage which is a clear green except the very young growth, which is tinted pink to copper. In August white panicles of flowers appear, followed by a mass of red berries in trusses. In autumn strong coppery tints cover the foliage, making a most pleasing combination.

Prices:	Each	Per 3
18-24 inch B&B	\$1.00	\$2.75
2-3 feet B&B	1.50	4.00

Boxwood

(*Buxus Semperfiriens*). The old English Bush Box with its shiny green foliage, can be used in many ways. It is good for hedges, informal gardens, specimen planting. As a hedge it gives character to every place; in an informal group it has no rivals; it may be clipped or trained to pyramid form, globe shape or allowed to grow naturally for specimen planting. The Box is used freely in window boxes, urns and for garden edgings. They should be planted in good soil and fed with Driconure or cow-manure. Cultivate lightly and do not disturb the roots.

Prices:	Each	Per 3
15-18 inch B&B	\$2.00	\$5.50
18-24 inch B&B	3.00	8.00
24-30 inch B&B	5.00	12.50
30-36 inch B&B	7.50	18.50

Azalea Amoena

A low dwarf variety with small green leaves which change in the winter to a rich bronze. Very attractive with a wealth of claret-purple flowers which appear in early spring.

Prices:	Each	Per 3
8-10 inch B&B	\$1.25	\$3.00
10-12 inch B&B	1.50	4.00

All Broadleaf Evergreens are bare rooted except where marked B&B (balled and burlapped.)

Azalea Hinodergiri

A hardy, early blooming Japanese Azalea of dwarf, compact habit of growth. Bright carmine flowers in profusion in early spring. The plant assumes a reddish appearance in the fall.

Prices:	Each	Per 3
8-10 inch B&B		\$1.25
10-12 inch B&B		1.50

Azalea Indica Alba

A very handsome and showy flowering shrub, thriving without much protection in the Southern States. White flowers and shiny green foliage.

Prices:	Each	Per 3
15-18 inch B&B		\$1.50
18-24 inch B&B		3.00

Azalea Nudiflora

(*Pinxter-bloom*). Commonly called Wood Honeysuckle. A handsome free flowering shrub usually growing to 3 to 5 feet. Flowers in early spring before the leaves appear, deep pink, profuse and very showy.

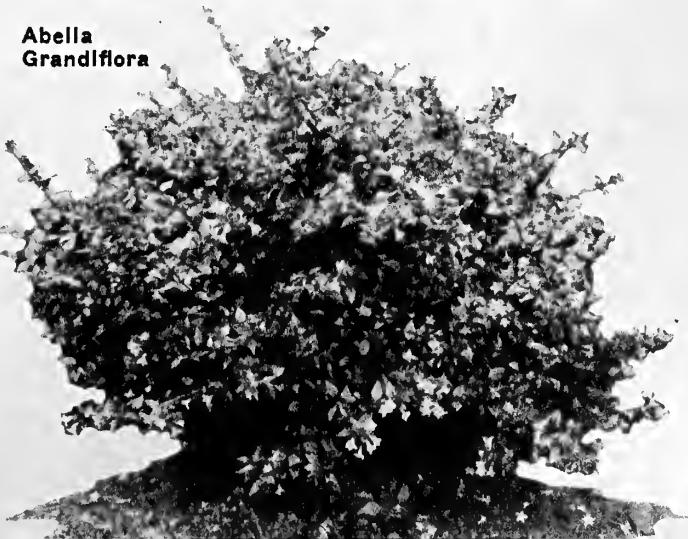

Prices:	Each	Per 3
18-24 inch B&B		\$1.00
2-3 feet B&B		1.25

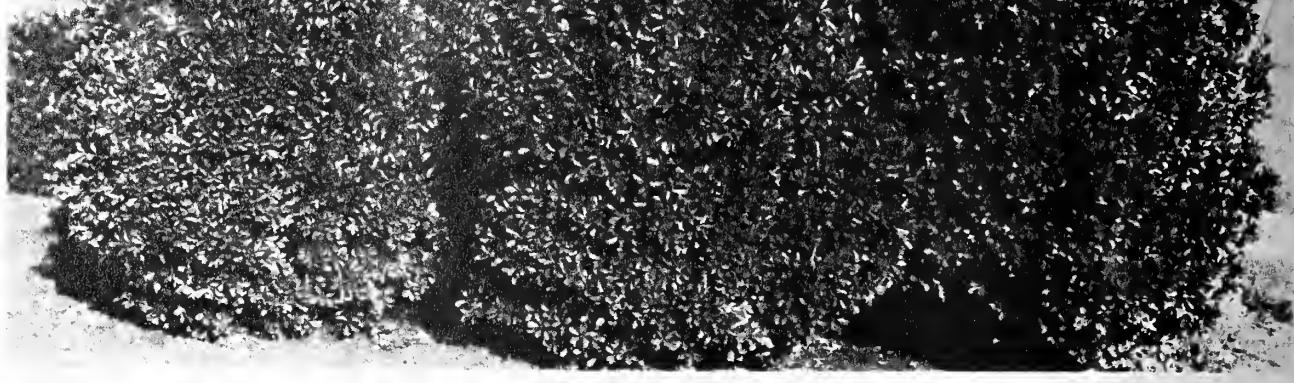

Azalea Calendulacea

(Great Flame Azalea). One of the many beautiful native flowering plants which grow throughout the Eastern states. The blossoms appear in April, in clusters, and are of various colors—yellow, orange, buff and shades of red. We offer a variety of colors, but plants are not separated as to color.

Prices:	Each	Per 3
18-24 inch B&B		\$1.00
2-3 feet B&B		1.25

Abelia Grandiflora

Japonica, Euonymus

Japanese Holly

(*Ilex Crenata*). An intricately branched evergreen shrub or small tree. Resembles the Boxwood in foliage, as the leaves are oval, dark green, and glossy like the leaves of the Box. Berries black. Excellent for hedge plants or specimen will survive in cold weather with a temperature as low as ten degrees.

Prices:	Each	Per 3
15-18 inch B&B	\$2.00	\$5.25
18-24 inch B&B	2.50	6.75
2-3 feet B&B	3.00	8.00

American Holly

(*Ilex Opaca*). A handsome broadleaf evergreen tree, familiar to the majority of Americans as Christmas Holly. The spiny-green leaves and bright berries bring back Christmas memories. It is easily cultivated and thrives in almost any soil.

Prices:	Each	Per 3
3-4 feet B&B	\$2.75	\$6.95
4-5 feet B&B	3.50	8.75
5-6 feet B&B	5.00	12.50
6-8 feet B&B	6.00	15.00

Mountain Laurel

(*Kalmia Latifolia*). One of the most beautiful broad-leaved evergreens, both on account of its wide, dark green and glossy leaves, and for its masses of showy pink or rose-colored flowers which appear in greatest profusion in early summer.

Prices:	Each	Per 3
12-18 inch B&B	\$1.00	\$2.50
18-24 inch B&B	1.50	3.85

Viburnum Rhytidophyllum

Very beautiful with its long, oblong evergreen leaves, dark green above and grayish beneath; bright red berries and small yellowish white flowers.

Prices:	Each	Per 3
18-24 inch B&B	\$1.75	\$4.50
2-3 feet B&B	2.25	6.00

Euonymus Japonica

(Evergreen Euonymus). A handsome evergreen with upright habit of growth. The foliage is a dark green. This is good as a specimen plant or for background planting. Leaves are occasionally followed by bright red berries.

Prices:	Each	Per 3	Per 10
12-18 inch B&B	\$.75	\$2.00	\$6.00
18-24 inch B&B	1.00	2.50	7.50

Cherry Laurel

(*Laurocerasus*). A small tree or bush with handsome shining foliage. Flowers white, in numerous short racemes, expanding in April or May.

Prices:	Each	Per 3
15-18 inch B&B	\$.75	\$1.90
18-24 inch B&B	1.00	2.50
24-30 inch B&B	1.25	3.25

Rhododendron Caroliniana

This variety is very beautiful in May when it produces a wealth of rose pink flowers with small green rounded leaves.

Rhododendron Catawbiense

A highly ornamental species. Leaves are oval or oblong, bright green with clusters of leaves at the end of the branches. Flowers large, rose-purple, freely produced in late spring.

Rhododendron Maximum

A magnificent large shrub with narrowly oblong dark green leaves which vary from 6 to 10 inches in length. This is a grand species for massing. Flowers pinkish white in profuse large clusters in early summer.

Prices on Rhododendron:	Each	Per 3
12-18 inch B&B	\$1.50	\$4.25
18-24 inch B&B	2.00	5.25

Japanese Ligustrum

One of the finest evergreens in the Southland. The leaves are very thick, the upper surface being highly glossed dark green with the under side a much lighter. Ideal in form and development. Can be pruned and kept at any height desired. Can be used as hedge in any location, or as specimen plants in the landscape. One of the aristocrats of the Evergreen family.

Prices:	Each	Per 3
2-3 feet B&B	\$1.00	\$2.50
3-4 feet B&B	1.25	3.25

Cherry Laurel

Boyd's

Ornamental Fruiting Trees

Ornamental Fruits Which Add a Striking Beauty to the Landscape

High Bush Cranberry

Dwarf Oka Cherry A mass of white blossoms in the spring time followed by an abundance of large plum-like fruit, red to the seed. The trees we send out should bear some fruit the following year. A most ornamental small tree for the lawn. For pollination plant is in close proximity to a Rocky Mt. Cherry.

Rocky Mt. Cherry A small bush Cherry with branches a mass of cherry-like fruits one-half inch or more in diameter, excellent for jams and jellies. A perfect fertilizer for the Oka Cherry.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.20 \$.50 \$ 1.50
2-3 feet ----- .25 .65 2.00

American Cranberry Bush We are offering a selection of large fruited heavy yielding and highly desirable types selected for their masses of fruit. They bear large, showy white flowers in June followed by clusters of large, brilliant red fruit in late summer and fall. The fruit is of a brilliant red color.

Prices: Each Per 3 Per 10
12-18 inch ----- \$.25 \$.65 \$ 2.00
18-24 inch ----- .30 .80 2.50

Black Haw A clean looking, round-headed shrub. Attractive white May flowers give place to bunches of pink fruits turning to bloomy black (edible). Deep green foliage turning to scarlet wine red in fall. The Black Haw is an aristocrat among the native shrubs of your boyhood days and now considered an excellent medium large shrub for general landscape planting.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.40 \$ 1.10 \$ 3.50
2-3 feet ----- .50 1.40 4.50
3-4 feet ----- .65 1.75 5.50

Russian Mulberry This makes a round-headed type, quick growth and with profuse foliage. It is wonderfully productive of fruit. This fruits considerably smaller than our native variety, but the tree bears so profusely it is visible for a considerable distance.

Prices: Each Per 3 Per 10
3-4 feet ----- \$.25 \$.65 \$ 2.00
4-5 feet ----- .35 .95 2.75

Hick's Everbearing Mulberry Called the ever-bearing because the fruits are produced over a long period of time—from June until September. It is a heavy annual bearer of very large fruits, larger than the Russian Mulberry.

Prices: Each Per 3 Per 10
4-5 feet ----- \$.65 \$ 1.85 \$ 4.25
5-6 feet ----- .75 2.00 5.25

American Elderberry A tall showy shrub. Large flat clusters of white fragrant flowers, followed by luscious black fruits—the source of Mother's "Elderberry Pie."

Prices: Each Per 3 Per 10

SHADE TREE COLLECTION

Here is a very desirable collection of ornamental shade trees, which are nicely grown, well branched. We are making you a special price as an introductory offer. Eight trees @ \$3.75, packed and ready for shipment, F. O. B., McMinnville, Tennessee:

SILVER LEAF POPLAR—A large and intricately branched tree with whitish bark; foliage silvery underneath. A very beautiful tree. 5-6 ft. branched.

MAGNOLIA TRIPETALA * *—Commonly called Umbrella Magnolia. Attains a height of from 25 to 35 feet; has immense foliage which grows in clusters about the large white creamy flowers. 5-6 ft. branched.

TULIP POPLAR (Poplar)—A rapid growing tree with large leaves and tulip-like flowers that appear in late May or early June. 5-6 ft. branched.

SILVER LEAF MAPLE—One of the best known of all Maples. A hardy fast growing ornamental shade tree; spreading branches, finely cut leaves "silver lined." 5-6 ft. branched.

SWEET GUM—A shapely tree with slender corky-ridged branches, forming a pyramidal head. The deeply lobed leaves are bright green and lustrous at maturity in autumn fading with bright tones of crimson, unsurpassed in brilliancy by other trees. 5-6 ft.

SYCAMORE—A large and lofty tree, with massive branches forming a wide head. A rapid growing and very beautiful tree with picturesque white or gray bark. Hardy and of great adaptability but thriving best in moist loam. 5-6 ft. branched.

RIVER BIRCH—The famous Birch with torn or ragged bark that is often seen along the banks of streams. A graceful moisture-loving tree that should be in all lawn plantings. 5-6 ft. branched.

WEEPING WILLOW—A lovely tree with long drooping branches, narrow leaves. Hardy, thrives in almost any soil; rapid growing tree. Good for windbreaks, and an imposing tree for planting along streams. 5-6 ft. branched.

Good Shade Tree can make your property a landmark in the community and add greatly to its value! Here is a collection of trees for a most pleasing effect. A tree for every purpose. The above collection of 8 trees for \$3.75.

Norway Maple

The shade trees are attractive for the setting of house. They are necessary, too. They add shade for the hot summer days. There is always an extra value to a home when it is to be sold if it has large, beautiful shade trees around it, and you can purchase the trees at such a small cost.

Chinese Elm One of the most popular and noted trees for its quick growth. Small dark green leaves. No tree will make a windbreak as quickly as these young Chinese Elms. They leaf out early in the spring and the leaves hang on late in the fall.

Prices: Each Per 3 Per 10
6-8 feet ----- \$1.00 \$2.50 \$7.00
8-10 feet ----- 1.25 3.25 8.00

American Beech A large stately tree with smooth gray bark and a broad, compact rounded head. When the tree is fully developed it makes a very large tree. Leaves oblong-ovate, coarsely serrate, dark green, turning to bright yellow in autumn.

Prices: Each Per 3 Per 10
4-5 feet ----- \$.80 \$2.00 \$5.00
5-6 feet ----- 1.00 2.50 7.50

BIRCH

White Birch (*Betula Alba*). A tall tree with terminal branches that slightly droop. Bark almost white, and papery-like. Leaves are sharply serrate, deep green and lustrous, turning dull yellow in autumn. Native of moist places, but will do well in dry ground.

Prices: Each Per 3
5-6 feet ----- \$1.50 \$4.00
6-8 feet ----- 2.50 6.25

Cut-Leaf Weeping Birch (*Betula Alba Pendula*). A tall tree with graceful pendulous branches and deeply cut foliage. The bark is a silvery white, characteristics rarely met with a single tree. Very popular for single lawn specimens or for group plantings. The white bark of the trunk and the twigs gleaming conspicuously among the other trees make it outstanding.

Prices: Each Per 3
5-6 feet ----- \$1.50 \$3.50
6-8 feet ----- 2.50 6.00

River Birch (*Betula Nigra*). A native tree with light reddish brown papery bark. Leaves ovate, sharply serrate, deep green, turning dull yellow in autumn. A very picturesque lawn tree.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.75	\$2.00	\$5.00
6-8 feet	1.00	2.50	7.50
8-10 feet	1.50	3.50	10.00

Catalpa Speciosa A large handsome tree with immense, tropical leaves and big clusters of white flowers with purple center. A very quick growing and a very fine tree. Does well in poor soil.

Prices:	Each	Per 3	Per 10
4-5 feet	\$.50	\$1.25	\$3.50
5-6 feet	.60	1.40	4.00

Catalpa Bungei (*Umbrella Tree*). To make this tree we bud or graft on stems 5 to 6 feet high, a top of the dwarf variety which makes many short, spreading branches without adding to the height; round compact balls on a straight stem. Very formal in effect, but useful only when rightly placed, as along straight walks.

Prices:	Each	Per 3
2 Year Head	-----	\$1.25 \$3.00

Hackberry (*Celtis occidentalis*). A graceful tree with spreading, sometime pendulous branches forming a broad round head. Leaves oblong-lanceolate, oblique and long pointed, mostly entire dark green. Fruit resembling a diminutive cherry, bright orange-red with thin dry flesh. Vigorous, hardy, healthy, thriving in almost any soil.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.75	\$2.00	\$5.25

MAPLES

Silver Maple (*Acer dasycarpum*). A large tree with wide spreading branches and pendulous branchlets. A rapid growing, large size. Valuable for producing quick shade. Leaves bright green above and silvery white beneath, turning pale yellow in autumn.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.40	\$1.10	\$3.25
6-8 feet	.50	1.40	4.25
8-10 feet	.75	2.00	6.00

Norway Maple (*Acer Platanoides*). A large, handsome tree with compact rounded head. One of the best ornamental trees. Leaves bright green, paler beneath, smooth on both surfaces, fading with tones of yellow and gold. Valuable for parks and lawns.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.50	\$4.25	\$12.00
6-8 feet	1.75	5.00	14.00

Red or Scarlet Maple (*Acer Rubrum*). A large tree with upright or spreading branches, forming a comparatively narrow, round head. Leaves light green on the upper with more or less pubescent on the lower surface, turning in autumn to brilliant shades of scarlet and orange. Flowers in early spring or late winter bright scarlet or red.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.50	\$1.25	\$3.50
6-8 feet	.75	2.00	6.00

Sugar Maple (*Acer saccharum*). This is one of the most desirable shade and ornamental trees. It is always erect and neat in appearance, adapting itself to a variety of situations, except boggy ground. A permanent shade tree, taking on vivid tints of autumn color.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.50	\$1.25	\$3.50
6-8 feet	1.00	2.75	7.50
8-10 feet	1.50	4.00	12.00

Native Ash (*Fraxinus Americana*). A lofty tree with spreading branches, forming a pyramidal or round topped crown. This variety is similar in appearance to the Blue and Green Ash. Foliage dark green and lustrous, fading in autumn with tones of purple and yellow. Desirable lawn tree that does well in dry, moist, and lime soil.

Prices:	Each	Per 3	Per 10
4-5 feet	\$.60	\$1.40	\$4.25
5-6 feet	.80	2.00	5.00
6-8 feet	1.00	2.50	7.50

Ash Tree

Sweet Gum (*Liquidambar styraciflua*). One of our native trees that is not fully appreciated. This is a shapely tree with slender corky-ridge branches, forming a pyramidal head. It does not make as rapid growth as some other trees and others are more easily transplanted, but the glossy foliage in summer, the brilliant color in fall, and the unusual appearance of the young branches with corky bark in the winters are considerations that make it especially valuable. The leaves are star-shaped, very bright green at maturity, in autumn fading with tones of crimson.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.75	\$3.00	\$5.25
6-8 feet	1.00	2.50	7.50
8-10 feet	1.50	3.50	10.00

Silver Poplar (*Populus Alba*). A large, quick growing tree. Its foliage is silvery. It will thrive in almost any soil and often where most trees fail. Flowers in pendent catkins in early spring.

Prices:	Each	Per 3	Per 10
4-5 feet	\$.50	\$1.40	\$4.00
5-6 feet	.60	1.60	5.00

Lombardy Poplar A tall columnar tree of picturesque aspect. One of the characteristic trees of Lombardy and other parts of Italy. Leaves triangular, the borders serrate, dark green, borne in flattened petioles, moving freely in the wind. Good for screening purposes or for background.

Prices:	Each	Per 3	Per 10
3-4 feet	\$.35	\$1.00	\$3.00
4-5 feet	.45	1.25	4.00

Chinese Lombardy Poplar (*Populus Simoni*).

A straight, strong, narrow tree, which does not grow as large as the Lombardy Poplar, but it is a rapid grower and absolutely hardy, making it very useful where quick growing windbreaks are desired.

Prices:	Each	Per 3
6-8 feet	\$.60	\$1.50
8-10 feet	.75	2.00

Golden Leaf Poplar One of the best of the yellow-leaved trees.

Generally holds its color throughout the growing season. Resembles the Carolina Poplar, except in color and foliage. A symmetrical and rapid growing tree.

Prices:	Each	Per 3
4-5 feet	\$.50	\$1.40
5-6 feet	.75	2.00

Carolina Poplar (*Populus Eugenii*). If quick results are wanted rather than permanent value, plant this species. If planted close they make a thick, dense screen, and if planted some distance apart, alternative with some slower growing hardwood trees, the poplars will furnish shade until the others are large enough then the poplars can be cut down.

Prices:	Each	Per 3
4-5 feet	\$.75	\$2.00
5-6 feet	1.00	2.75

Lombardy Poplar

Weeping Willow

Golden Weeping Willow

This golden bark variety has proven the hardiest and thriftiest growing and most beautiful of all the weeping willow varieties. Our trees are exceptionally fine.

Prices: Each Per 3 Per 10
4-5 feet \$.50 \$1.40 \$4.25
5-6 feet75 2.00 5.25

Weeping Willow (*Salix Babylonica*). One of the most graceful of the Willows. It is a large tree with slender pendent branches. Leaves narrow, tapering to a long point, bright green.

Prices: Each Per 3 Per 10
4-5 feet \$.40 \$1.10 \$3.20
5-6 feet50 1.40 4.25

American Sycamore (*Platanus occidentalis*). A large and lofty tree with massive branches. Where a tree of quick effect is wanted, one clean in habit of growth, luxuriant of foliage and easy to transplant, the lesson of Nature in distributing it so liberally should be accepted. The bark is silvery or grayish in winter, making it outstanding.

Prices: Each Per 3 Per 10
5-6 feet \$.50 \$1.40 \$4.25
6-8 feet75 2.00 5.25

Black Locust (*Robinia Pseudoacacia*). A tree with a comparatively narrow crown. Widely distributed in the United States. Leaves compound, bright green, turning pale yellow in autumn. Flowers white, very fragrant, borne in drooping racemes. It is largely planted to procure posts, ties and poles, for which there is always a big demand.

Prices:	Each	Per 3	Per 10
5-6 feet	\$.35	\$.90	\$2.75

HOW TO PLANT A TREE

SET TREE IN TUB OF WATER WHILE DIGGING HOLE.

SET TREE THREE DEEPER THAN IT GREW IN NURSERY.

Boyd's . . . NUT TREES

FOR SHADE AND PROFIT . . .

The planting of nut trees, especially the Black Walnut, is being recognized by wise farmers. Many farmers have waste land that could be planted in Walnut trees and would in a short time, become valuable. Walnut Trees are great soil builders. We grow large quantities of tree seedlings for reforestation and are in position to quote some very attractive prices on the Walnuts in large quantities.

PECANS

Pecan growing is becoming a favorite industry in the Southern and Western states and is quite profitable. The trees are long lived, quite hardy and productive.

Moneymaker Extra good, heavy producer.

Schley Nuts of highest quality and very thin shell.

Stuart Extremely hardy; nuts good size, plump and well filled.

Success Resembles the Stuart, only larger. Note excellent flavor.

Prices on Pecans: Each Per 3 Per 10
2-3 feet ----- \$.75 \$2.00 \$5.25
3-4 feet ----- 1.00 2.95 7.50

WALNUTS

Black Walnut The most rapid growing hard-wood tree known. One of the most beautiful lawn or shade trees; dense, symmetrical, dark green foliage, which turns to a bright, golden-yellow after frost. The chief value of this rapid growing tree, however, is the extra large thin nuts it begins to produce after the third or fourth year from planting. These immense nuts have full kernels which may be easily taken out in halves. The kernels are plump, crisp and have a wonderful flavor. Trees extremely hardy and may be successfully grown in any section of the United States. The wood from this tree takes a fine polish, superior to any of our native timber. There is a fortune in growing this tree for timber.

Prices on Walnuts: Each Per 3 Per 10
3-4 feet ----- \$.25 \$.65 \$1.85
4-5 feet ----- .35 .90 2.75
5-6 feet ----- .50 1.40 4.00

FILBERTS

American A low growing shrubby tree, 10 to 12 ft. high. Used largely for ornamental purposes. Makes an attractive hedge. In the fall they produce abundant crops of the most delicious nuts, which are in great demand at good prices. Thrifty, vigorous growers, very hardy any place in America. Can be grown on almost any kind of soil.

Prices: Each Per 3 Per 10
2-3 feet ----- \$.25 \$.65 \$1.85
3-4 feet ----- .35 .90 2.75

American Sweet Chestnut A large ornamental tree, planted largely for shade; also valuable commercially; nuts sweeter than any other variety.

Prices: Each Per 3 Per 10
2-3 feet ----- \$.50 \$1.25 \$3.75
3-4 feet ----- .75 2.00 5.50
4-5 feet ----- 1.00 2.50 7.50

Sweet Buckeye (Horse Chestnut). Noted for its "Good Luck Charm" when carried in your pocket. The fruit is not edible and is not to be eaten. Noted for its beautiful foliage and flowers of yellow tinged red.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.25 \$.65 \$1.85
2-3 feet ----- .30 .80 2.25

Japan Walnut (*Juglans sieboldi*). Perfectly hardy, grows rapidly and makes a handsome, medium-sized tree with very large attractive leaves. Bears young and heavily. The nuts are borne in clusters, resembling the Butternut in shade and quality with a thinner, smoother shell. Not as large as English Walnuts nor thin-shelled, but richer in quality and recommended as being hardy where English Walnuts are not.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.35 \$.90 \$2.50
2-3 feet ----- .50 1.25 3.50

Hickory Nuts Very valuable for market in fruits and also the lumber is very valuable for spokes, fence posts, and handles of all kinds for farming tools.

Prices: Each Per 3 Per 10
18-24 inch ----- \$.35 \$.90 \$2.50
2-3 feet ----- .50 1.25 3.50

FLOWERING TREES

Every lawn should have a few of these flowering trees. Almost all of these trees are beneficial for shade as well as for the flowers. Try a few of these trees and be convinced.

Pink Flowering Dogwood (Cornus Florida Rubra).

This is not a new or uncommon tree but one too often overlooked as a means for beautifying home grounds. The common white variety may be better known but this pink flowering type affords the loveliest display. Our trees are shipped balled and burlapped to insure safe and sure growth. Once started, they need but simple care.

Prices:	Each	Per 3	Per 10
2-3 feet	\$1.00	\$2.50	\$ 8.00
3-4 feet	1.50	4.00	12.00
4-5 feet	2.00	5.00	16.00

White Flowering Dogwood (Cornus Florida)

The white-petaled flowers cover the tree in April and May. It is a small bushy tree with upright or spreading branches. Leaves oval, bright green, turning red or scarlet in autumn. Fruit bright scarlet.

Prices:	Each	Per 3	Per 10
3-4 feet	\$.50	\$1.30	\$3.85
4-5 feet	.75	1.90	5.25
5-6 feet	1.00	2.50	8.00

Judas Tree (Red Bud). A small tree with a wealth of floral beauty. Leaves heart-shaped, deep rich green, fading with tones of bright, clear yellow. Flowers produced in early spring almost concealing the branches, borne in clusters of four to eight, of a beautiful rose-pink color.

Prices:	Each	Per 3	Per 10
3-4 feet	\$.40	\$1.00	\$3.00
4-5 feet	.50	1.25	4.00
5-6 feet	.75	1.90	5.25

Flowering Crab

Red Bud

Flowering Crab Apple (Malus Corona-ria).

One of the most shown of the flowering trees. Pinkish white flowers in May. This variety does not make a large tree.

Prices:	Each	Per 3	Per 10
4-5 feet	\$.80	\$2.00	\$5.50
5-6 feet	.90	2.25	6.50

Eleyii Flowering Crab

Red in blossom, coppery red in foliage and red stained bark. A new upright type and a choice small, refined tree.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.40	\$1.10	\$3.30
2-3 feet	.60	1.60	4.80

Bechtel's Flowering Crab

An outstanding tree, very attractive with spreading or ascending branches forming a wide head. Flowers large and very double, resembling the roses of a delicate pink or blush color; fragrant.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.60	\$1.50	\$4.50
2-3 feet	.75	1.90	\$6.50

Double Flowering Plum

This is an early blooming, small tree with double pink flowers in small clusters in May or June.

Prices:	Each	Per 3	Per 10

2-3 feet	\$.45	\$1.20	\$3.40
3-4 feet	.60	1.45	4.25

Double Flowering Peach

These trees wrap themselves in an abundance of double fragrant blooms in the early spring. The foliage resembles the fruit bearing peach, but this variety does not produce fruit. Colors: Red, Pink and White.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.30	\$.80	\$2.20
2-3 feet	.40	1.00	2.90
3-4 feet	.60	1.50	4.00

Silver Bell Tree (*Halesia tetraptera*). Sometimes called the Snowdrop. Bell-shaped flowers are carried in drooping clusters in early spring. An unforgettable picture when every branch is strung with drooping soft pink buds in the spring and is still beautiful later when buds expand into drooping pure white snowdrop-like flowers. Attains a height of 30 feet when fully matured.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.50	\$1.10	\$3.30
2-3 feet	.60	1.60	4.80

European Mountain Ash Handsome small tree with fern-like leaves and large flat corymbs of creamy white flower. Watch these trees throughout the summer as the berries are changing from green to orange then to conspicuous scarlet.

Prices:	Each	Per 3	Per 10
3-4 feet	\$1.25	\$3.60	\$10.00
4-5 feet	1.75	5.00	15.00

Tree of Heaven (*Ailanthus*). Flowers in large panicles succeeded by dense clusters. Used for street planting where smoke and gas affect other species. Leaves light green, resembling those of a palm. Rapid grower; hardy.

Prices:	Each	Per 3	Per 10
4-5 feet	\$.40	\$1.10	\$3.25
5-6 feet	.50	1.40	4.25

White Fringe Tree A low growing tree, with branches that form an oblong, narrow head. Leaves ovate, dark green, turning yellow early in autumn. Flowers appear when the leaves are almost grown, white, in loose drooping panicles. Fruit blue resembling a small plum. The flowers are very feathery and graceful.

Prices:	Each	Per 3	Per 10
18-24 inch	\$.35	\$.90	\$2.75
2-3 feet	.50	1.10	3.75
3-4 feet	.75	2.00	5.00

Smoke Tree (*American Purple Fringe*). A much admired shrub for its clouds of purplish, misty flowers borne in early June. In fall the leaves change to brown, red and yellow.

Prices:	Each	Per 3	Per 10
3-4 feet	\$.40	\$1.00	\$3.25
4-5 feet	.60	1.60	4.80

Japanese Flowering Cherry One of the earliest blooming trees in the spring. No other flowering tree has the beauty of these wonders of the Orient. Like all cherry trees they are shallow rooted and not necessarily requiring a rich ground in which to thrive. Pink flowers.

Prices:	Each	Per 3	Per 10
3-4 feet	\$1.50	\$4.40	\$13.50
4-5 feet	2.00	5.25	15.00

Dwarf Red Flowering Buckeye Flow-ing Horse Chestnut. Leaves are dark green turning to yellow in late autumn. Blossoms are a purplish red, very ornamental and attractive.

Prices:	Each	Per 3	Per 10
12-15 inch	\$.40	\$1.00	\$2.80
15-18 inch	.50	1.25	3.25

MAGNOLIAS

Magnolia Acuminata (*Cucumber Tree*). A tall tree of pyramidal shape with greenish yellow flowers and large broad leaves with coral clusters of seed following the blooms.

Prices:	Each	Per 3	Per 10
3-4 feet	\$.50	\$1.30	\$3.85
4-5 feet	.75	1.90	5.25

Magnolia Macrophylla A rapid growing tree, unusually large leaves from 12 to 15 inches long; flowers creamy white; dark green bark.

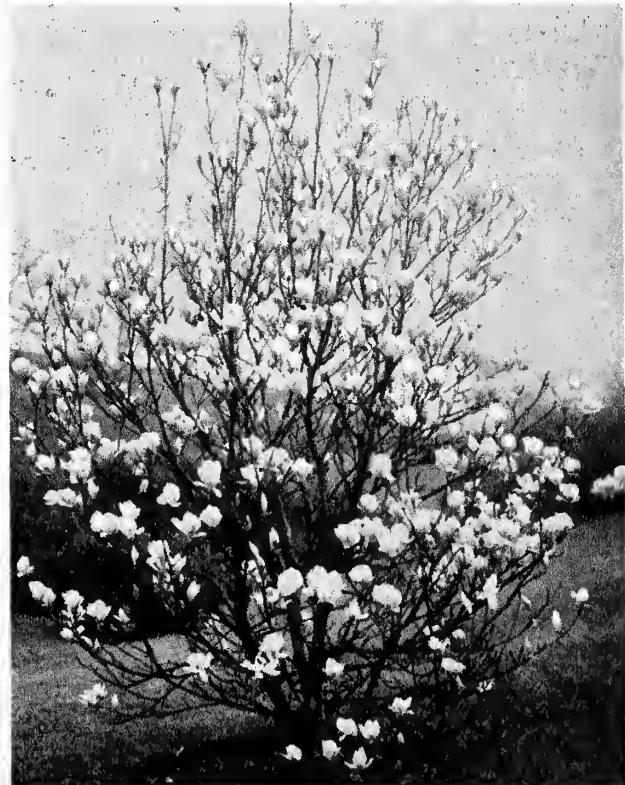

Prices:	Each	Per 3	Per 10
3-4 feet	\$.75	\$1.90	\$5.25
4-5 feet	1.00	2.50	7.00

Magnolia Liliflora Nigra Flowers are a deeper shade of pink, slightly later in bloom and are likely to be missed by late frosts.

Magnolia Liliiflora

Boyd's VINES and CREEPERS

The wonderful grace and beauty of well-placed vines add untold value and charm to the home and garden. We are offering a comprehensive collection of the hardiest and best vines and creepers—those that have real merit and sterling worth. The vines and creepers are especially desirable for covering walls, unsightly places and rock walls and buildings.

Virginia Creeper (*Ampelopsis Quinquefolia*). A high climbing vine which clings to walls or trunks of trees by means of disk-bearing tendrils. Leaves compound, consisting of five bright green toothed leaflets, fading in autumn with gorgeous tones of red and scarlet.

Prices: Each Per 3 Per 10
Two Year ----- \$.35 \$.90 \$2.75

Boston Ivy (*Ampelopsis Veitchii*). A graceful vine. Many of the finer homes are covered with this beautiful vine. The leaves form a dense sheet of green as they overlap each other. The foliage changes to brilliant scarlet in autumn.

Prices: Each Per 3 Per 10
Two Year ----- \$.35 \$.90 \$2.75

Bittersweet

Dutchman's Pipe Vine Chinese Trumpet Creeper

Dutchman's Pipe Vine (*Aristolochia To-mentosa*). A native species of climbing habit and rapid growth. The foliage is light green, dense. Flowers are pipe-shaped, yellowish-brown.

Prices: Each Per 3 Per 10
One Year ----- \$.25 \$.65 \$1.85

Trumpet Creeper (*Bignonia Radicans*). A hardy climbing plant with large, trumpet-shaped, scarlet flowers appearing in August. Flourishes everywhere under the most unfavorable conditions and is very pretty.

Prices: Each Per 3 Per 10
One Year ----- \$.25 \$.65 \$1.85
Two Year ----- .35 .90 2.75

Crossvine (*Bignonia Capreolata*). A lofty vine with compound tendril-bearing leaves. Flowers trumpet-shaped, about two inches long, reddish orange without, yellow within, produced in axillary clusters in late spring and early summer.

Prices: Each Per 3 Per 10
Two Year ----- \$.50 \$1.40 \$4.25

Oriental Bittersweet (*Celastrus Orbicu-latus*). A tall and vigorous climber with bright green circular leaves. Berries or capsules orange-yellow, splitting open in autumn and disclosing the crimson arils which envelop the seed. Splendid for decorating.

Prices: Each Per 3 Per 10
One Year ----- \$.35 \$1.00 \$2.75
Two Year ----- .50 1.40 4.25

American Bittersweet (*Celastrus Scan-dens*). A high climbing vine with broadly lanceolate bright green leaves. Capsules orange-yellow, with crimson arils, persisting throughout the winter.

Prices: Each Per 3 Per 10
One Year ----- \$.25 \$.65 \$1.85
Two Year ----- .35 .90 2.75

PEONIES

Felix Crousse Midseason. The most pleasing red color, fading to lighter shades as the blossom falls.

Festiva Maxima Paper-white with crimson markings in center. Very large and full rose type; very tall, strong growth. Early.

Edulis Superba Extra early, the Decoration Day pink Peony. Crown type, old rose.

Each Per 10
\$.35 \$3.00

Vines and Creepers—Continued

Japanese Clematis (*Clematis paniculata*). This is the small-flowered, fragrant, white "star" variety which blooms so profusely. Leaves compound, consisting of several bright green leaflets which persist early until late fall. A grand plant.

Prices: Each Per 3 Per 10
Two Year ----- \$.35 \$.90 \$ 2.75

Hall's Honeysuckle

Clematis Jackmani

Clematis Virginiana (*Virgin's Bower*). A hardy graceful climber. Leaves compound, consisting of several toothed or incisely lobed bright green leaflets. Flowers white, in numerous panicles, expanding in late summer or early autumn. This plant is valuable for training around and over pillars, verandas, fences, rock work and lattice work.

Prices: Each Per 3 Per 10
Two Year ----- \$.25 \$.65 \$ 1.85

Clematis Jackmani Immense flowers of an intense violet-purple color. Blooms continuously all summer. The best known and most valued variety of this popular family. A perfect mass of bloom when in full flower.

Prices: Each Per 3
Two Year ----- \$.75 \$ 2.00

Clematis Henryi A strong grower. Flowers creamy white; very large.

Prices: Each Per 3
Two Year ----- \$.75 \$ 2.00

Clematis Edouard Andre A very beautiful plant with flowers a beautiful shade of crimson, very large.

Prices: Each Per 3
Two Year ----- \$.75 \$ 2.00

Clematis Ramona A very striking plant with the gigantic flower of a fine light blue.

Prices: Each Per 3
Two Year ----- \$.75 \$ 2.00

English Ivy (*Hedera Helix*). The most popular evergreen vine. Has large, deep green, glossy foliage and is unexcelled for covering walls in shady and cool places. Can be sheared into edging for walks or covering for graves or used as a ground coverer in shady places. It adds beauty and dignity.

Prices: Each Per 3 Per 10
Two Year ----- \$.35 \$.90 \$ 2.75

Everblooming Honeysuckle (*Lonicera Heckrottii*).

A shrubby vine with short, sometimes twining stems of unknown origin. Leaves green above, whitened beneath, the uppermost united at their bases. Flowers rose colored on the outside, yellow in the center.

Prices: Each Per 3 Per 10
Two Year ----- \$.50 \$ 1.10 \$ 4.00

Hall's Honeysuckle (*Lonicera Japonica Halliana*). A rampant evergreen climber. Strong, vigorous with long stems that sometimes grow from 10 to 15 feet. Leaves ovate, dark green, densely covering the vine and branches. Flowers white, changing to yellow, deliciously fragrant, borne in great profusion in the summer and occasionally in the autumn.

Prices: Each Per 3 Per 10
Two Year ----- \$.15 \$.35 \$ 1.00
Three Year Heavy ----- .20 .50 1.50

Wisteria, Chinese Blue

Clematis

Scarlet Trumpet Honeysuckle (*Lonicera Semper-virens*)

This is a splendid plant for porches and trellis. The leaves are oval or oblong, green or bluish-green above, glaucous beneath. Flowers scarlet, about two inches long, profuse and very showy.

Prices: Each Per 3 Per 10
Two Year ----- \$.20 \$.50 \$ 1.25
Three Year ----- .35 .90 2.75

Kudzu Vine (*Pueraria Thunbergiana*). The most rapid growing, twining vine known today. Stems twining, hairy when young, very long and flexible. Leaves compound, consisting of three bright green ovate leaflets. Flowers pea-shaped, purple, produced in axillary racemes from the older woody stems in late summer. It is marvelous how it will cover fences, pergolas, or similar objects.

Prices: Each Per 3 Per 10

PINK

Mrs. Chas. Bell Salmon-pink, sport of Radiance with its good qualities. No other rose has just the same lovely color.

Columbia A large fully double rose, pink; of lasting qualities; very vigorous.

Pink Radiance Brilliant rose pink buds; a well-formed flower of shiny pink with light tints on the reverse of the petals; one of the strongest and most vigorous growers.

Dame Edith Helen One of the largest and most perfect shaped pink Roses known. Flowers uniformly well shaped. Has attractive buds and is the most perfumed of all pink Roses.

Edith Nellie Perkins A strong vigorous grower. The outer petals are of a shimmering silvery pink while the deeper center petals are more of a soft shade of rose color.

YELLOW

Autumn The Autumn Rose is considered one of the best. Burnt orange color streaked with red and pink to a brilliant copper. Fragrant flowers.

Mrs. E. P. Thom A superior yellow garden Rose. The fine long buds are perfectly shaped. Flowers a rich lemon yellow.

Golden Dawn Large, straw yellow buds opening to pale lemon yellow, double flowers with a light old rose markings. Bronzy foliage, free from disease.

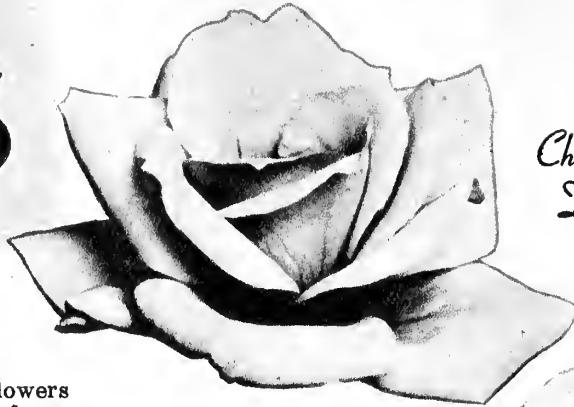

Mevrouw G. A. Van Rossem The Rose with a sun-tan complexion. Color brilliant and out of the ordinary.

Lady Hillingdon An apricot yellow shaded to orange on the outer petals, becoming deeper and more intense in the center of the bloom.

Luxembourg With long pointed buds of beautiful bronze yellow; very fragrant. One of the best yellow roses.

Jonanna Hill A splendid clear yellow with a golden heart; very large pointed buds which open full. A profuse bloomer.

ROSES

Charles K.
Douglas

WHITE

Frau Karl Druschki Pure white; flowers large and full of exquisite form and substance.

Kaisern Augusta Victoria Creamy white, flowers full and double, sweetly fragrant with large pointed buds. Remarkably hardy and floriferous.

E. G.
Hill

TWO-TONED

Talisman Multi-colored. Glorious combination of orange, yellow, and rose-red. The fragrant flowers are much more highly colored in autumn.

President Herbert Hoover A most popular Rose. It is maroon, orange and gold, rioting in a most contrasting fashion. Long pointed buds; rigid stems. A fine garden rose, blooming well in the autumn. By far the best of its color.

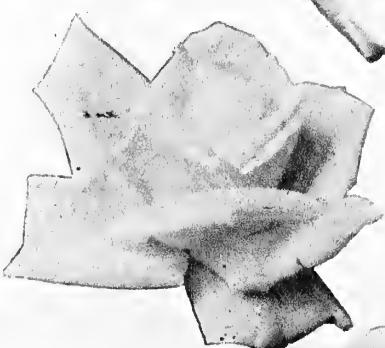

Talisman
Roses

RED

Charles K. Douglas A top-notch, semi-double, scarlet crimson Rose. Strong plant with good foliage. Exceedingly well liked.

Etoile de Holland Brilliant red, large flowers of velvety crimson; produces a large quantity of blooms throughout the summer.

Etoile de
Holland

Red Radiance This is one of the strongest and most vigorous growers; most dependable of the roses; a splendid color of clear red.

E. G. Hill Without doubt one of the greatest of all red roses. Will thrive and do well with ordinary attention and produce immense numbers of beautiful deep, rich glowing red blooms over a long period.

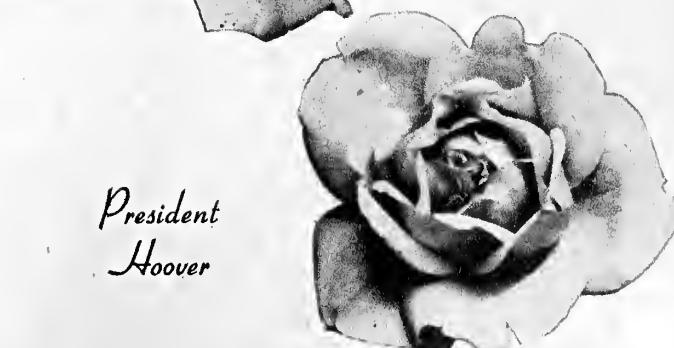

CLIMBING ROSES

Wichuriana White Memorial Rose. Cluster of snow white flowers. Excellent cluster rose.

Paul's Scarlet Vivid scarlet, shaded crimson, semi-double flowers which last a long time and make a brilliant display.

Dorothy Perkins This is one of the new Rambler types; flowers are bronze in large clusters of shell-pink; the individual flower is larger than the Crimson Rambler.

FERNS

are universally popular and are easily cultured, and afford a wide range of possibilities. A shady nook, where the soil is moist and the drainage good will prove an ideal location for some of the ferns.

Maiden Hair A graceful species with large deciduous leaves. The dark chestnut brown stripes are smooth and shining, radially forked at the summit and bearing numerous soft green pinnules.

Hay-Scented Fern A handsome large Fern with thin and delicate leaves from 1 to 3 inches long. Stripes clustered, pale green and sweet-scented, bearing many soft green pinnatifid divisions.

Cinnamon Fern A stately large Fern with large creeping root-stocks. Leaves deciduous, produced in circular cluster, 3 to 5 feet tall, bright green. Fertile fronds eventually cinnamon brown, soon withering. Ornamental and impressive.

Royal Fern A vigorous tall Fern with stout rootstocks, bearing a cluster of large broad leaves. Fronds 2 to 5 feet tall and a foot or more wide, with numerous oblong pinnules.

Christmas Fern A beautiful evergreen Fern with stout rootstock and densely chaffy stipes. Leaves deep green with numerous lanceolate pinnules, 1 to 2 feet long.

Each	Per 12	Per 100
\$.10	\$.75	\$5.00

Columbine (*Aquilegia*). Mrs. Scott Elliott's Long-spurred Strain. This is acknowledged to be the cream of the long-spurred Columbines. These do not come true from seed, therefore, we only offer mixed colors.

Each	Per 12
\$.25	\$2.50

Butterfly Weed (*Asclepias Tuberosa*). A remarkable showy plant with several erect or spreading stems, rather densely clothed with narrow dark green leaves. Flowers disposed in numerous umbel-like clusters, bright orange, freely produced in summer.

Prices:	Each	Per 12
Two Year Clumps	\$.30	\$3.00

Coreopsis One of the most continuous blooming perennials. Easily grown, showy and valuable when cut-flowers are needed. Golden yellow flowers.

Each	Per 12
\$.10	\$.50

Hardy Larkspur (*Delphinium Belladonna*). A very beautiful hardy plant with showy sky-blue flowers. Blooms all summer until stopped by frosts.

Delphinium Bellamosa A dark blue type, very showy and a strong grower.

Each	Per 12
\$.20	\$2.00

Hardy Pink or Sweet William

(*Dianthus Barbatus*). The old-fashioned Sweet William. Leaves rich lustrous, green, the basal ones

relatively broad and dense. Flowers numerous, disposed in compact round-topped clusters of various tints and shades in June and July.

Each	Per 12
\$.15	\$1.50

Digitalis, — Giant Shirley (*Foxglove*). Stately and handsome, the Foxglove possesses the dignity and atmosphere of the old-time garden and yet has lost nothing in the competition and progress of more modern garden plants, which in vain would rival Long, bell-shaped flowers.

Each	Per 12
\$.20	\$2.00

Hibiscus (*Mallow Marvels*). A beautiful perennial of the Hollyhock family. Attractive for its foliage and brilliant flowers. Blooms very profusely. Individual flowers are very large.

Each	Per 12	Per 100	
1 yr. -----	\$.10	\$.75	\$ 5.00
2 yr. heavy -----	.25	2.50	10.00

Shasta Daisies A very free flowering plant with large and showy daisy-like flowers 3 to 4 inches across, blooming profusely throughout the summer and autumn. Flowers white with golden center; petals in two or more rows.

Each	Per 12	Per 100
\$.10	\$1.00	\$3.50

Adam's Needle or Bear Grass

(*Yucca Filamentosa*). A stately plant with stiff evergreen foliage. Among hardy ornamental flowering plants this can be classed at the head of the list. Flowering stems are from 4 to 6 feet tall, branched near the summit and bearing numerous drooping creamy white flowers in summer. Every garden should have this grand hardy species.

Each	Per 12	Per 100	
2 yr. -----	\$.10	\$1.00	\$3.50

Bleeding Heart (*Dicentra Spectabilis*). An old-time favorite with clustered stems from 1 to 2 feet tall. Flowers large and heart-shaped, deep rosy red, nodding in graceful drooping racemes. A beautiful plant, rich in sentiment and associations with the old home gardens.

Each	Per 3	Per 10
\$.40	\$1.00	\$3.00

Bleeding Heart

Boyd's FLOWERING BULBS

GLADIOLUS

For cut-flowers in the home or stately, colorful spikes in the garden, the Gladiolus is supreme. Plant the bulbs 4 to 6 inches deep in good growing soil, keeping the bed free from weeds. You will have blooms all summer long if you plant the bulbs in 10-day intervals. Remove the bulbs from the ground in the fall before freezing weather, clean and dry them and store in a cool dry cellar.

Albatrosa Pure white, good spikes, medium-size flowers.

Ava Maria Blue, with streaks of purple, large, and very beautiful.

Bagdad Smoky old rose, deeper at edge of petal and lighter at throat, large blooms, strong spikes.

Berty Snow Light rosy lavender with light blotches in the throat.

Dr. F. E. Bennett Peach red overlaid with scarlet.

Betty Nuthall Salmon pink, ruffled petals, pale yellow throat markings with streaks of red. A very lovely cut-flower.

Crimson Glow A glowing crimson scarlet, lighter in the throat, large flower, massive spikes.

Flora One of the best yellows, pale corn yellow with delicate lines on lower petals.

Giant Nymph Bright rosy pink with creamy yellow throat, large flower.

Golden Dream Golden yellow, medium size.

Los Angeles Shrimp pink with a white and red throat.

Minuet A very beautiful lavender. The color is delicate and dainty; large flowers.

Orange Queen Apricot orange, very open blooms.

Picardy Clear pure pink, beautifully painted with red in the center, long spikes.

Mrs. W. H. Phipps One of the most beautiful pink gladiolus, very large flowers.

Souvenir Clearest, deepest yellow found in Glads, large size and the first yellow to bloom.

Scarlet Princeps A very large spike of massive crimson-scarlet flowers, four or five blooms open at one time.

The Orchid A wonderful flower, a natural spread of petals, ruffled, orchid like of lavender pink upon the paler flushed, frosted surface.

HEDGE PLANTS

The hedges are becoming more popular and beneficial. Hedges are valuable for many uses; screens for unsightly places; to shut off your yard from your neighbors. Hedges have many outstanding uses, too numerous to mention in the small space we have allotted for them.

Amur River Privet (North). This is probably the most hardy of all the Privet. It is erect in habit. The leaves are a dark lustrous green and remain on until late in the winter which makes them very desirable.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.75	\$ 1.50	\$3.50
18-24 inch	1.00	1.75	4.00
2-3 feet	1.25	2.20	5.00

Amur River Privet (South). This plant to the south is far superior to any other plant that can be used. It retains its leaves in the South throughout the winter. If you live in the South you certainly should have this plant on your lawn.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.50	\$.75	\$1.50
18-24 inch	.60	.90	2.00
2-3 feet	.80	1.50	3.50

California Privet A large, vigorous shrub of upright habit. Leaves dark green and glossy. This is sometimes used as an individual plant.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.35	\$.65	\$1.50
18-24 inch	.50	.75	2.00
2-3 feet	.75	1.00	3.25

Ibota Privet The Ibota Privet is more or less spreading in habit. White flowers in early spring. The leaves dark green, lustrous, persisting until the advent of cold weather. A handsome plant, valuable for specimen plants, mass planting or hedges.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.50	\$.75	\$2.00
18-24 inch	.75	1.00	3.25
2-3 feet	1.00	1.75	4.00

Japanese Barberry (*Berberis Thunbergi*). A graceful shrub of low dense habit. Leaves bright green assuming in autumn dazzling tones of orange and scarlet. Berries bright red. Much used for border and hedge planting.

Prices:	Per 10	Per 25	Per 100
9-12 inch	\$.70	\$ 1.00	\$4.00
12-18 inch	.80	1.10	6.00

Boxwood (*Buxus sempervirens*). As a hedge it gives character to every place. In an informal group it has no rivals. It may be clipped or trained to pyramid form, globe or allowed to grow naturally. Box is used freely in window-boxes, urns, and for garden edgings. They should be planted in good soil and fed with Driconure or cow manure. Cultivate lightly and do not disturb the roots.

Prices:	Per 10	Per 25	Per 100
6-9 inch	\$5.00	\$11.00	\$40.00
9-12 inch	7.50	16.50	65.00

Spirea Van Houttei This is undoubtedly the most charming and beautiful of all the varieties, having pure white flowers in clusters with drooping branches. Foliage is a rich green. Plants remarkably hardy. An indispensable ornament for lawn or hedges and probably the most widely planted shrub in cultivation.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.60	\$1.20	\$3.00
18-24 inch	.75	1.50	4.00

Abelia Grandiflora (Evergreen). Few shrubs are of greater value than the Abelia for planting at house foundations, for specimens about the yard, or grouped in corners or curbs of walks and drives. The dainty blush-white flowers come in late May or June and continue until frost. While not "evergreen" the rich green foliage has a special charm as it remains most of the year.

Prices:	Per 10	Per 25	Per 100
6-12 inch	\$1.25	\$3.00	\$10.00
12-18 inch	1.50	3.50	12.00

Lombardy Poplar A tall, shaftlike column of a tree that grows quickly, like all Poplars and often reaches 80 to 100 feet in height. The Lombardy Poplar is not for shade, but for ornament, making a fine effect when planted along driveway and when planted close together the trees make a thick very high screen. Branched always from the ground up.

Prices:	Per 10	Per 25	Per 100
3-4 feet	\$3.00	\$6.00	\$20.00
4-5 feet	4.00	7.50	30.00

Osage Orange (*Maclura pomifera*)—a medium sized spiny tree with spreading branches; rather large fern-like leaves of bright green which changes to yellow in fall. Flowers are inconspicuous but the succeeding orange-like fruits are attractive. It is chiefly utilized as a close, thorny, stock turning hedge plant and allowed to grow fairly tall.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.40	\$.70	\$2.25
18-24 inch	.75	1.00	4.00

Russian Mulberry This makes a round-headed tree, quick of growth and with profuse foliage. It is wonderfully productive of fruit and for anyone wishing to attract birds it cannot be surpassed. If planted in chicken-runs it will produce fruit for several months. This fruit is considerably smaller than our native variety but the tree bears so profusely that it is visible for a considerable distance.

Prices:	Per 10	Per 25	Per 100
12-18 inch	\$.50	\$.85	\$3.00
18-24 inch	.75	1.40	5.00

Chinese Elm Very hardy, drought-resistant and will grow in almost any soil. This is one of the most rapid growing trees we have. It is heavily covered with narrow dark green foliage, which give it a lovely gracefulness similar to the Birch. Ideal for windbreak and screen planting.

Prices:	Each	Per 3	Per 10
6-12 inch	\$.75	\$1.25	\$2.00
12-18 inch	1.00	1.50	3.00
18-24 inch	1.25	1.75	4.00

Plant Forest Tree Seedlings

... for PROFIT, SHADE and BEAUTY

It is with pleasure that we are again able to offer you FOREST TREE SEEDLINGS and Small EVERGREENS for re-forestation purposes, at prices so low that they are in reach of all.

That our timber will be gone before we can grow trees cannot be disputed, and to take care of that situation, no farm should be without a grove of Forest Trees. The expense is very small, it pays well in shade and timber, and may mean a good estate for your children in years to come.

If you have an idle field that has been worn out, then just try a few thousand of our tree seedlings and be convinced that it is not as expensive an undertaking as you might think. Such a move not only is patriotic, but also will yield an income on the value of your property.

VINES AND CREEPERS

The vines and creepers are especially desirable. They are used to cover walls, unsightly places, climb rock walls and buildings. They will add much to the appearance of your place. We have a good assortment.

	Per 25	Per 100	Per 250
Bittersweet, American, 1 yr. seedling -----	\$1.00	\$ 3.00	\$ 6.00

Wisteria, Chinese White, 1 yr. seedlings -----	1.75	5.00	9.75

DESCRIPTIONS—You will find descriptions of growth and habits of most of these plants on other pages of this catalogue.

Smaller sizes of these Forest Tree seedlings, Evergreens, and Climbing Vines, costs much less than larger ones to ship, to plant and you have a better chance of them living and growing where properly handled, if you have the time to wait for them.

GUARANTEED TO LIVE?

No one can guarantee that trees, animals, or any other living thing will live. Not even a human being can be guaranteed to live. We do guarantee two things:

1. That we will ship healthy plants to arrive in good, live condition. We will replace otherwise.
2. That we are so sure of our stock, we will take half the risk even if it arrives in good condition and subsequently fails to live. We will replace at half price under these conditions.

PLANT—Forest Tree Seedlings for Profit, Shade and Beauty Costs Little, Pays Well in Shade and Timber

REFORESTATION: This is your opportunity to turn waste land into a yielding profit. Gullies that look beyond redemption can be completely restored by the use of Hall's Honeysuckle (Ground Covering). This Honeysuckle vine is being used extensively by railroads to hold steep banks and also the Highway Departments of many states are using them for the same purpose, and finding them very satisfactory. Kudzu vine is good for the same purpose and also fine for hay and pastures.

HANDY REFERENCE LIST FOR ORDERING SEEDLINGS AND VINES

Sunday Visitors

We are always glad to have those interested to visit our nursery.

The Book of all books says there are six days to work and one for rest and worship in each week. We are not open for business on Sunday, but to those who cannot find time to visit the nursery during the week we shall be glad to show them our stock after Church hours.

Hand this catalog to your friends if you are through with it. Your friends will appreciate your lending it to them and we will thank you, too.

Write plainly and give explicit directions, otherwise we will forward according to our best judgment. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

We use every care to secure prompt deliveries, but we are not liable for delay or damage in transit. Our responsibility in this respect ends upon delivery in good order to transportation company; but we

will gladly render all the aid we can in case claim becomes necessary.

CLAIMS

Claims, to receive consideration, must be made within ten (10) days after receipt of goods.

TERMS

Cash with order unless otherwise arranged. Six per cent interest charged on overdue bills. Five plants at 10 rates; fifty at 100 rates. All quotations in this list are net for the goods packed—no extra charges for packing and delivering to carriers.

Customer pays carriage charges. If delayed, or lost on the road, notify us and we will do all possible to get it through, or collect claim, but are not responsible for carrier's neglect. We advise express shipments as cost is little more than freight on small lots, and stock gets through quicker and safer. Light packages can go by parcel post.

Postage should accompany parcel post orders. (15 per cent of list price.)
